

Mother's Day Bouquet Craft

What You'll Need:

- Scissors*
- Tape or Glue
- Construction Paper
- Coloring Supplies

Instructions:

1. Color vase and flowers as desired.
2. Have an adult help cut out vase and flowers along the light gray lines.
3. Glue or tape the vase onto construction paper on all sides **except** for the top.
4. Insert the flower stems into the vase and arrange as desired. Glue down flowers once arranged, or keep mixing it up!
5. Post your finished bouquet on the fridge!

DO NOT Glue down this side
