

Santa's Sleigh Mobile Craft

What You'll Need:

- String or Thin Ribbon
 - Tape
 - Coloring Supplies
 - Hole Puncher
 - Scissors*
- *Cutting is intended for Grown-ups**

Instructions:

1. Color Santa's sleigh and Christmas Ornaments
2. Have an adult help cut out the sleigh and ornaments along the light gray lines.
3. Use the hole puncher to punch out all the filled gray circles
4. Cut three strings around 18 inches long
5. Tie one end of each string into the holes on the bottom of the sleigh
6. Start putting your ornaments on the strings **TIP: Go in the top hole and out the bottom**

7. Once all ornaments are positioned as desired, cut any excess string, leaving a little extra to place a star
8. Tape a star to the bottom of each string to prevent ornaments from falling off
9. Tape a loop to the top of the sleigh
10. Display your festive mobile for all to enjoy! *Merry Christmas!*
